

What is the Youth Advisory Council?

The Spectrum Autism Support Group Youth Advisory Council (YAC) is a team of passionate and dedicated youth volunteers (ages 14-21) who collaborate to create meaningful programs and initiatives for the autism community.

We focus on:

Promoting inclusivity and understanding.
Designing youth-led projects that make a difference. Building leadership and advocacy skills.

Why Join Us?

Be a voice for your peers. Gain leadership and team-building experience. Have fun while giving back!

SPECTRUM
Autism Support, Education & Resources

ABOUT SPECTRUM

Spectrum Autism Support Group was established in 1998 to provide support, education and resources for individuals and families impacted by autism.

Spectrum currently serves over 2000 families in Gwinnett County and the surrounding Metro Atlanta area and has become a well-known resource in the Autism community.

Support groups, summer day camps, overnight camps, social skills groups, respite, community training, and family events are offered for all ages and abilities.

Mission

Provide support, education and resources for individuals and families impacted by autism.

Vision

Improving the lives of individuals and families impacted by autism.

Council Purpose

The Youth Advisory Council (YAC) will serve as a youth-driven initiative to raise awareness, organize service activities, and support the goals of the Spectrum Autism Support Group. The committee will provide a platform for young people to contribute their ideas, energy, and creativity while positively impacting the autism community.

What Can You Do as a Member?

Event Planning:

Help design fun, inclusive events for peers and the community.

Advocacy Projects:

Participate in campaigns to raise awareness and promote acceptance.

Peer Mentorship:

Support other youth in building confidence and social skills.

Skill Development:

Develop public speaking, teamwork, and project management skills.

Committee Objectives

Raise Awareness:

Promote understanding and awareness about autism spectrum disorder (ASD) in the local community.

Community Engagement:

Provide opportunities for youth to engage in volunteer activities that support individuals with autism and their families.

Leadership Development:

Develop leadership, teamwork, and advocacy skills among youth volunteers.

Create Inclusive Events:

Organize inclusive events and activities that both highlight the strengths of individuals with autism and support their needs.

Advocacy: Advocate for policies and initiatives that improve access to resources and services for the autism community.
